Apropos to the subject cited above, I would like to draw your kind attention that keeping into consideration the gap between the target and numbers of online applications so far received from SC students in NSP portal for granting Post Matric & Pre-Matric scholarship during the year 2024-25, the Ministry of Social Justice and Empowerment, Govt. of India has further extended the period for filling online submission of application and subsequent verification of the same from INO/SNO level in NSP portal so as to cover the target as shown in PAC.

Sl. No.	Activity in NSP	Date as extended up to
1.	Online submission of application in NSP by the students who were failed to submit by 31/01/2025	07/03/2025
2.	For verification of online applications by the INOs (for applications to be received fresh and for applications lying pending for verification including defective application)	12/03/2025
3.	For verification by SNO	17/03/2025

Hence, you are cordially requested to convey necessary instructions to all the DEOs & INOs to take immediate & suitable steps to upload applications from all SC students, who were unable to submit their application through NSP for Post Matric and Pre Matric Scholarship for the year 2024-25 and to complete verification of the same in NSP as well as to process further within the period as mentioned above so that the Scholarship can be granted to all the eligible SC students during 2024-25 by the SC Welfare Department.

This is for kind information with a request to extend all possible co-operations to enable the SC Welfare Department in achieving the target to release the Post Matric & Pre-Matric Scholarship into the bank A/C of all eligible SC students during the year 2024-25.

Yours faithfully
